To whom it may concern,

I am writing to highly recommend Kaden Medina as he continues through the recruiting process. As his assistant coach at Gardner Edgerton High School, I have had the privilege of coaching him since 2024, and I can confidently say he is one of the most dedicated and coachable players I have worked with.

On the field, Kaden consistently demonstrates strong fundamentals, baseball IQ, and a competitive mindset. Whether he is contributing offensively or defensively, he approaches every rep and every game with purpose. His work ethic stands out as he is often one of the first to arrive and one of the last to leave. He embraces instruction, adjusts quickly, and thrives in pressure situations.

Beyond his athletic ability, Kaden is a high-character young man. He is a supportive teammate, respectful to coaches and officials, and leads by example through his preparation and attitude. His academic commitment further reflects his discipline and maturity, showing he understands the importance of being a true student athlete.

What separates him most is his coachability and mental toughness. He responds positively to adversity, competes with confidence, and consistently looks for ways to improve his game. Any program would benefit not only from his athletic ability but from the culture and accountability he brings to a team.

I strongly recommend Kaden to your program and am confident he will make an immediate and lasting impact.

Sincerely,

Coach Jonathan Hodges
